WEEKLY ACTIVITY REPORT NO. 35

✓6

a. Progress Report - Old Projects

1. Work continuing on interviews with PM graduates concerning their evaluations.

b. Items of Current Interest:

1. Assessment cases scheduled . . . . . 6
2. Assessments performed . . . . . 5
3. Assessment cases written . . . . . 0
4. The regular weekly case seminar usually held on Wednesday was cancelled.
5. The special assessment of twelve professional trainees was accomplished as a result of an extreme amount of cooperative effort on the part of all members of the Staff. Particularly outstanding work on this project was accomplished by the Research Branch in the form of pictorial graphs and other similarly effective group charts, which made possible a most valuable presentation of this data at a conference with [redacted] others. This conference was held under the direction of the Acting Chief, Assessment and Evaluation, and was attended by all other participating Assessment and Evaluation Staff members who could be spared from their regular activities. It is to be noted that this special assessment program was completed on Monday and Tuesday, and all data analysed, interpreted and prepared for presentation in time for the Thursday conference
6. Regular tests were administered to the following persons: (TRG)  
(a) Prospective Professional Trainees . . . 5  
(b) Language Testees . . . . . 9
7. Two applicants for positions in the Assessment and Evaluation Division were interviewed by the Acting Chief, Assessment and Evaluation, and each of the three Branch Chiefs.
8. All Staff members have been attending the API meetings with special attention to specific meetings on matters allied to work of a nature similar to our own as determined by a prearranged schedule.

c. Items of Administrative Interest

1. [redacted]
2. [redacted] has been on sick leave since Wednesday, August 13. Technician and Statistician, Research and Validation Branch submitted his resignation effective 2 September 1952.

This document part of classified integrated file. NAME CHECK required prior to individual classification action.
